Amsterdam, July 15th 2020

Dear tenant,

We want to inform you that we are making an adjustment to your rental agreement. Unfortunately we mis assumed that The FIZZ would deliver you heating services, but instead Eneco will deliver this directly to you. This means that you have to apply for heating service directly with Eneco [Click here](#) for more info. For the registration you will have to indicate what kind of meter you have, this is a double meter.

At the same time we will lower your service costs from 95,00 euro to 45,00 euro per month, if this was not already indicated in your contract.

All this results in a small adjustment in your rental agreement. The following articles will change in your rental agreement:

- ~~— 4.1 the fee in connection with the supply of heating~~
- ~~— 4.6 service costs 95,00 — service costs 45,00~~
- ~~— 6. The landlord will arrange the supply of heating for consumption in the living area of the rented object on the basis of an individual meter in that part of the service costs~~

Please keep this form with your contract.

Our apologies for the inconvenience. We assume you agree with the adjustment without any notice within 5 working days.

Please don't hesitate to contact our service team if you have any questions regarding this.

Best regards,

Moreno Monsanto
